

ASSURANT
Health

*Introducing Two New Tools to **Boost** your Internet Presence and **Online Sales Opportunities!***

#1 My Sales Link

My Sales Link is a personal sales link that gives you the ability to sell Assurant Health Individual Medical and Short Term Medical online. The link connects your prospects to a Web site that provides **product information, generates instant, accurate quotes** and allows prospects to **apply online**. The Web site displays your agency information and **you receive credit for your sales**.

This personal sales link can be e-mailed to prospects or added to your Web site.

- Expands your selling capability
- Reduces your costs of selling
- Ensures credit for sales
- Simplifies the sales process

#2 My Web Page

If you don't currently have a Web site, you can easily create one with our help. **It's Free** – a professionally-designed Web page at no cost to you.

Gives you the ability to:

- Pick Web page design and color
- Personalize the page
- Select the products you choose to offer

Expand your selling capability

- Adds credibility with clients
- Makes referral sales easier
- You don't have to visit every client to make a sale
- Make sales 24/7

Don't worry about the "technical stuff"

- We'll take care of setup and maintenance
- No hosting fees
- No upgrade charges
- We'll make sure content is up to date
